"Planning is bringing the future into the present so you can do something about it now." That being said it takes thoughtful diligence and character to make a plan come together. Like most of us, our day tends to keep us so busy that simple pasture walks through the cattle can seem like a steal of time. As my son, Nate and I look toward the future, we know that the pace of yesterday will be the slowest that we will ever go as we complete a day's work. I feel very fortunate to be able to share those stolen minutes with my family, Shorthorn friends and enthusiasts. Some of my favorite times are wondering through the herd and sharing conversation about Shorthorns. The shared conversation and thoughts help us reflect on the legacies of yesterday, evaluate

the legacies of today and build for the legacies of tomorrow. The Studer Family is pleased this year to include our friends, the Mitchell's, as they carry on their legacy. We feel it is going to be an exciting weekend in Iowa, with the Cyclone Trace sale on Friday night and Sullivan's on Sunday. Don't miss out on this opportunity to view and discuss some great Shorthorn cattle the second weekend in October. I look forward to seeing you on October 8th!

*Selling full possession and half interest; retaining 1/2 semen interest.* He has been our main herd sire recently. Since we have retained a multitude of Marquis daughters and are gaining in numbers of Soul Train daughters, we have decided to sell him. He will bring you commercial acceptance and the right kind of cattle you are looking for that are fault free with loads of muscle and body. He is a son of Eionmor Marquis (with the exact same look) - real deep and soggy. His daughters excel in body and have cow written all over them.

## GENERAL INFORMATION : : :

**Terms:** The terms of the sale are cash or check payable to Aegerter Marketing Services, Inc. Payment to be made to the clerk immediately following the sale and before the cattle are removed from the Nate Studer Farm. Purchasers or their representative must sign the bill of sale prior to leaving the sale site.

**Billed Accounts:** All billed accounts are due and expected within 10 days of the sale date.

**Insurance** will be available for your purchase at the sale through Harding & Harding. Contact either their representative or the clerk at the settlement desk.

**Health:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date and cattle born at the consignors have been vaccinated. A list will be available on sale day listing any non-vaccinations.

**Breeding Guarantee:** All cattle sell under the Standard Breeding Guarantee recommended by the American Shorthorn Association. An exception would be through mishandling either obesity or under nourishment and illegal practices associated with showing the female.

**Tibial Hemimelia:** All cattle are TH Free unless otherwise stated.

**Liability:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

**Registration And Transfer:** All animals sell with completed pedigrees or applications for registration.

**Transportation:** The Family Legacies group will make every effort to assist you in your transportation needs. Local trucking will be available.

**Mail Bids:** Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of Aegerter Marketing Services, Inc., a special representative, a sale consultant or a member of the Family Legacies group far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

**Announcements** made sale day will take precedence over printed material in this catalog.

**Breeding Update/Calving Information:** There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

Dave Luett purchased Shadybrook Quinane 90P in the 2008 Shadybrook Sale. We shared a flush using DF Waco. These two recipes are the result of our share on the flush. Quinana 90P is a really nice made, solid red female. With the mating to DF Waco there should be some really nice offspring - male or female. With the cow being Canadian bred and Waco's dam being Canadian bred, this offers some different genetics.

*Guarantee six embryos using conventional semen or three if sexed smen is used. Half down on sale day; other half due at completion of flush. We purchased this outstanding female from Bob Duis last fall. We hope she will be as good of a donor cow as her mother, Lily 504L, who is now owned by Al Simon. Lily is bred to Dale Studer's Marquis 86G bull for a December calf. Flush to take place next Spring. Just look at her picture and try to find a fault other then the white legs.*
